Dear Colleague

While you're enjoying the autumn weather and its incredible colorful foliage, here in South America we're welcoming the always-windy-but-sunny spring and getting ready for summer!

I'm just back from **Santiago and Patagonia**, where I was leading a tour operator fam trip during 10 amazing days. I invite you to sign up for the **day-by-day itinerary webinar** I'll be conducting on **November 15th**. Pre-register [here](#).

On another note, I'll be doing **sales calls in Texas from December 5th to 9th**. So if you're based in or nearby **Austin and Houston**, please drop me a line and I'll be happy to schedule an in-person meeting with you and/or your team or meet for breakfast during that week.

Last but not least, you can find **exciting news** and also some **festive offers** from our clients in the Americas' portfolio. **Panama, Ecuador, Colombia, Argentina, Uruguay** and **Chile** are without doubt amazing destinations to escape from North America's winter and enjoy the Latin American summer.

Should you have any questions or would like to learn more about these cool companies in cool places, please feel free to book a meeting with me [here](#).

Enjoy reading and travel safely!

Ana, on behalf of The Emerging Destinations team (Jane + Jenna + Ana)
