Program Spotlight - Summer 2022

**SUMMER PROGRAMS COMING SOON**

- **Study in Germany**
  - LMU Summer in Berlin program: Offers a comprehensive study abroad experience in the cultural and historical heart of Europe. Learn about German language, culture, and society through immersive courses and community engagement.
  - LMU Summer in Munich program: Provides a unique opportunity to explore the Bavarian city and its rich history, as well as the University of Bayreuth and its renowned programs.

- **Study in Central America**
  - LMU Study Abroad in Mexico: Augsburg University in Cuernavaca: This program allows students to immerse themselves in Mexican culture, history, and language. Classes focus on topics such as anthropology, Spanish language, and local customs.
  - LMU Study Abroad in Guatemala: This program provides an opportunity to explore the diverse landscapes and cultures of Guatemala, allowing students to gain insights into the local communities and their unique traditions.
  - LMU Study Abroad in El Salvador: This program offers a chance to learn about the political, economic, and social issues of El Salvador through a combination of cultural immersion and fieldwork.

- **Study in Croatia**
  - LMU Peace and Reconciliation in Zagreb: This program focuses on conflict resolution and peacebuilding, offering courses in history, politics, and international studies. Participants engage in community service projects and visit historical sites.

- **Study in France**
  - LMU Internship in Paris: Provides students with a unique opportunity to work in the international center of Paris, offering internships in various fields such as finance, marketing, and fashion. Participants also have the chance to explore French culture and language.

- **Study in Ireland**
  - LMU Study Abroad in Ireland: This program offers a chance to learn about Irish culture and history, with opportunities to explore the country's natural beauty and historic sites. Participants can choose from a variety of courses, including Irish literature, history, and art.

- **Study in Poland**
  - LMU Culture and Art in Warsaw: This program offers a chance to explore the rich cultural and artistic heritage of Poland, with courses in history, music, and visual arts. Participants also have the chance to visit contemporary art exhibitions and museums.
