GIVING OPPORTUNITIES

Learn more about the internship opportunities below. Interested? Interested? Apply today!

PASSIONATE ABOUT MARKETING? SERVE AS A SOCIAL MEDIA INTERN WITH THE NASHMAN CENTER!

Interested in marketing? Serve as a Social Media Intern with the Nashman Center.

Before the pandemic, the Nashman Center rarely shared opportunities for fundraising for and with our partners, favoring instead opportunities for students to use and develop their academic and civic skills. But the world has changed, and the need for creative fundraising has never been more pressing.

In the midst of political chaos in our country, we have focused our efforts on nonpartisan efforts to support youth on healthy lifestyles, social and emotional health, nutrition and exercise, utilizing young professionals in surrounding areas to educate them on health and wellness issues; and to provide academic and civic opportunities to students.

And ArtReach GW is holding art classes online, sending supplies to students by mail, and teaching creative and critical thinking skills in research.

And GW Coders will meet virtually every Friday at 11:00 am ET to provide a network for students, faculty, and the community to apply computational and data analytics skills in research.

SERVE IN OUR COMMUNITY

Register, find out where to vote, or get your absentee ballot.
