Before the pandemic, the Nashman Center rarely shared opportunities for fundraising for and with our students; another 30 GW students served as tutors and mentors for DC Public School students — all online this summer.

SERVE WITH HEY!

As a social movement, HEY! — Healthy Excited Youth — strives to address the many needs in many of our communities are dire and immediate and donations of money or goods may be needed.

COMMUNITY SPOTLIGHT

GW STUDENTS HELP D.C. CHILDREN LEARN SOCIAL JUSTICE

HONEY W. NASHMAN CENTER FOR CIVIC ENGAGEMENT AND PUBLIC SERVICE

GW Coders will meet virtually every Tuesday to continue community engagement and service this year through virtual partnerships.

In the midst of political chaos in our country, we have focused our efforts on nonpartisan efforts to drive voter participation among our students. GW Votes, a nonpartisan coalition of faculty, staff, and graduate students encourages everyone to register and to vote. Anyone can use this easy tool to register, find out where to vote, or get your absentee ballot.

2022 VETERAN DAY OF SERVICE

In the midst of the pandemic, we have found new ways to partner with community organizations to, for example, transcribe documents, interview seniors and veterans, and record oral histories. GW has been able to serve virtually and has found ways to engage with students and faculty to apply computational and data analytics in service.

We look forward to seeing you in our workshops and social innovation events (find these...)

GW Coders is a community that brings together students passionate about social innovation and social change; who want to use tech to create an impact.

We now have a hybrid offering for GW Coders workshops this fall, with some workshops continued online and some workshops offered in person.

In the midst of the national uprisings, we have redoubled our efforts to fight anti-Blackness and systemic racism and to support equity: we focus our programs and projects on the micro and macro aspects of societal change, and examine ourselves to address any implicit or underlying bias.
