and graduate students; for faculty in any discipline; and for others in the DC community who want to participate!

and faculty. Share coding experiences, learn some new skills, and build your professional networks. GW Coders is and faculty to apply computational and data analytics GW CODERS

Friday at 11:00am ET to provide a network for students and faculty. GW Votes, a nonpartisan coalition of faculty, staff, and students; another 30 GW students served as tutors and mentors for DC Public School students -- below community-engaged learning experiences. One example, is described in the GW Today article

In the midst of the pandemic, we have found new ways to partner with community organizations to, for example, transcribe documents, interview seniors and veterans, and record ArtReach GW is holding art classes online, sending supplies to students by mail, and teaching all online this summer.

In the midst of the national uprisings, we have redoubled our efforts to fight anti-Blackness and policing and youth. And
derived research and service this year through virtual partnerships.
