Hi Ski & Ride School Team,

I hope you're having a great summer! We have some exciting things happening around the resort this summer, like the Art Festival taking place this weekend, August 1<sup>st</sup> – August 3<sup>rd</sup>. Visit

<https://www.artfestival.com/festivals/avon-festival-beaver-creek-art-festival> for more information. Another incredible Winter season is around the corner, with Opening day only 110 days away.

I'm also excited to share that we are on track to launch Ski & Ride School in the My Epic App for this Winter. As a reminder, in March, we announced that coming this Winter, we will offer digital check-in, real-time lesson updates, photo sharing, skills tracking, milestone badges, and more – all within the My Epic App.

To support this guest experience, the team has developed a custom App for Instructors and Supervisors, called Lesson Connect. This tool has been designed with input from your peers and local leaders, and with **you** in mind, to make group lessons smoother, more efficient, and more connected.

Here is a sneak peek at what's coming your way:

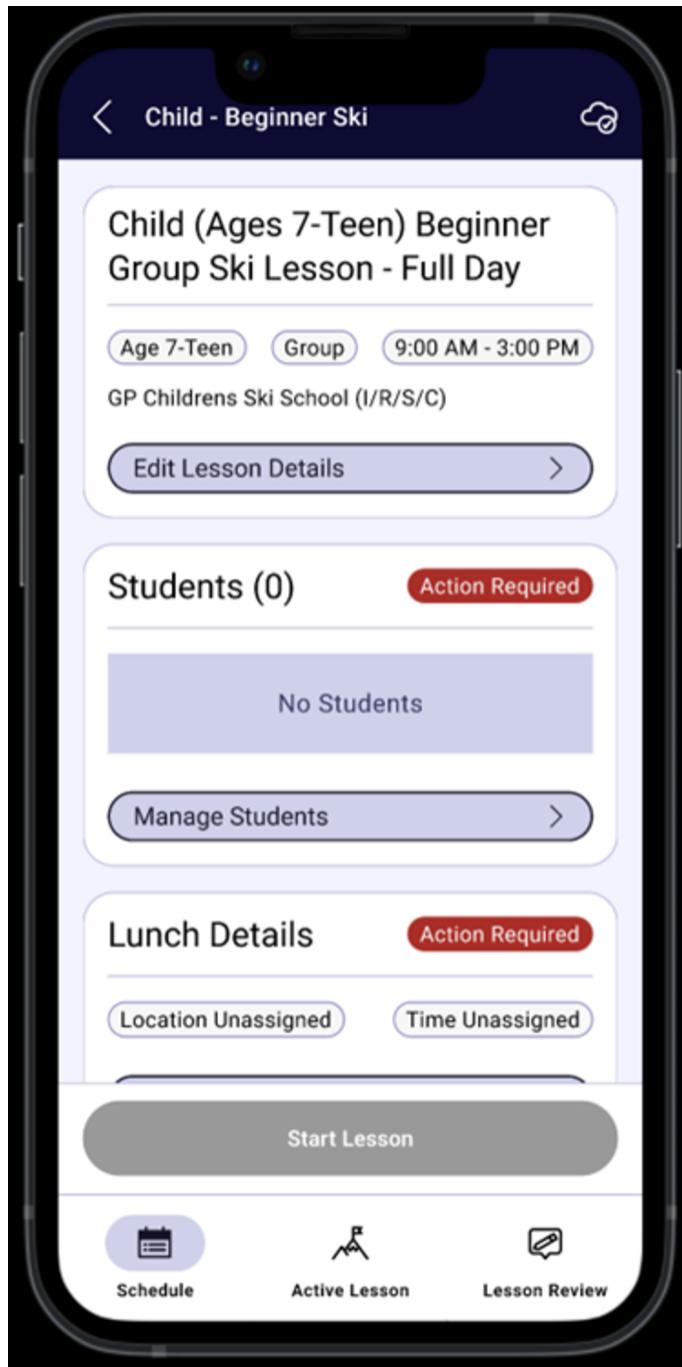

## Digital Class List

Highlights:

- Building Your Lesson Product
  - Lesson Type
  - Lesson Location
- Student Section
  - Digitally add students
  - Access student information

- Lunch Details
  - Location
  - Time

*(all designs are subject to change during development)*

## Real-Time Updates and Photo

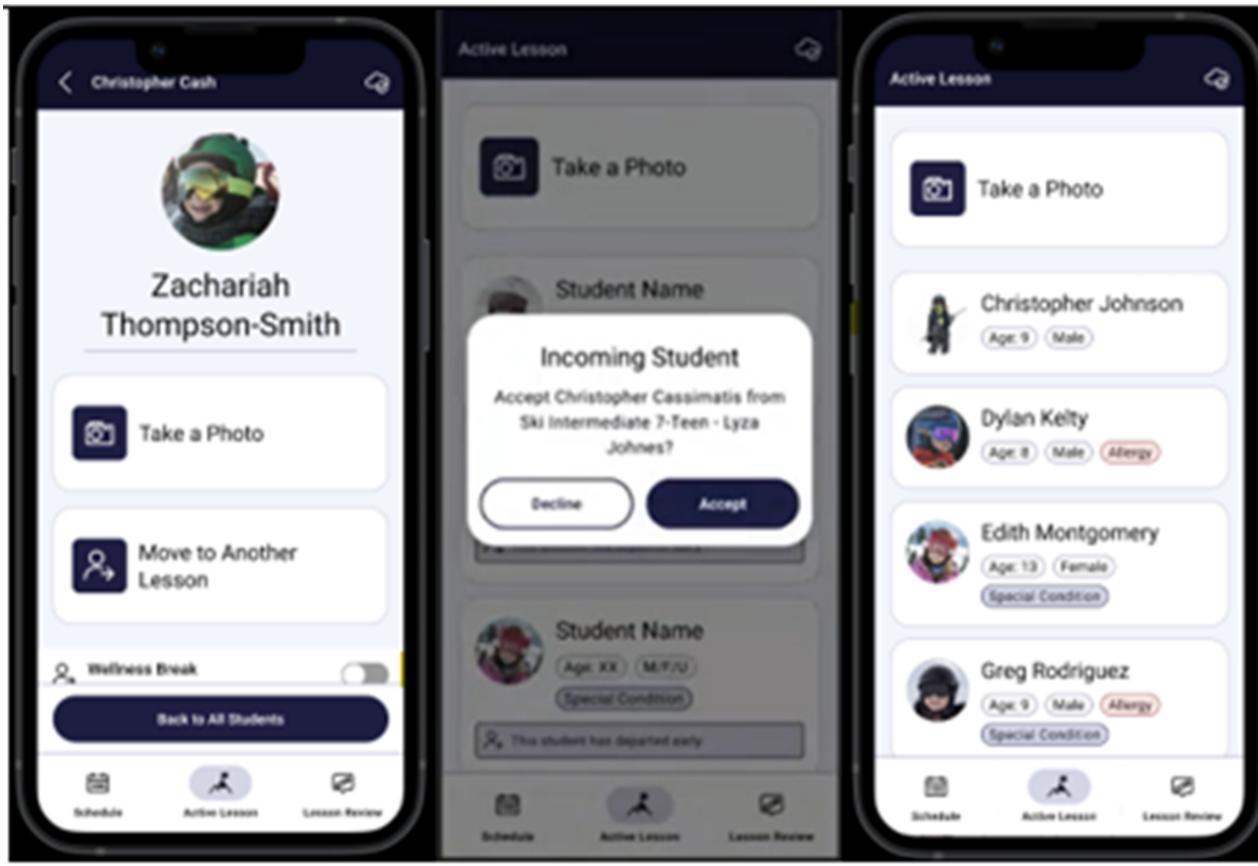

Highlights:

- Photo Capabilities
  - Take and tag photos of students
  - Send photos

- Student Transfer
  - Seamlessly transfer students between instructors
  - Accept and acknowledge incoming students

Access your digital class list

There's a lot to love about the new tool. **Lesson Connect** helps you focus on what matters: connecting with your guests, tracking progress, and collaborating with your

team – all in real time, right at your fingertips.

This is just the beginning. More information on device usage and training is coming soon, and you won't be doing it alone. We'll guide and support you throughout the entire process.

Thanks for being part of this journey,

Jamien Hawkins

Sr. Director Skier Services
