Join us by reflecting the undiminished spirit of this city as a global leader in the fight for inclusion and equality by celebrating “Beacon of Love” this year’s San Francisco’s Pride Month theme.

Pride month celebrates the struggles and achievements of LGBTQIA+ people, including events like the Stonewall Uprising. It aims to highlight their contributions, such as the fight for the decriminalization of homosexuality, which began in 1961 with the State of Illinois. Pride month serves as a powerful reminder of the importance of acceptance, diversity, and love.

“How many years has it taken people to realize that we are all brothers and sisters and human beings in the human race?” — Marsha P. Johnson
