

Diary of the Red '53 Pick Up, The Lowveld

Today we drive to the Mpumalanga province, the north eastern part of South Africa, also called the Lowveld. The Red '53 Pick Up is making a delivery to **Oliver's Restaurant and Lodge**, situated 7km north of Whiteriver, 30km from Nelspruit and 400km from Johannesburg.

En-route to our destination, approximately 150km from Johannesburg, we head out to the **Kghodwana Cultural Village**. Here one gets an insight into the Ndebele people's culture and their art. Plan ahead and make an appointment to meet Ester Mahlangu, the 80 years old Ndebele woman who has become a global art legend and an ambassador for the Ndebele people. Contact the curator of the village, Mr Petrus Mahlangu +27 836738955 or khobongo@mpg.gov.za

Ndebele village

Maybe you remember when BMW invited world art-legends, such as Ester to decorate a car in their signature style? What do you think, should we give our Red '53 Pick Up a new Ndebele makeover?

The Ndebele art reminds me of an artist and jewellery maker in Cape Town that has interpreted the Ndebele culture in her work and has managed to catch the eye of international fashionistas. This artist is Katherine-Mary **PICHULIK** and with her jewellery and accessories, she aims to create "bold items for brave women" and wearable works of art.

We are well on our way to **Oliver's Restaurant and Lodge** in Whiteriver. This area is known, not only for its superb temperate sub-tropical climate in summer as well as winter, but also for its many scenic and adventurous attractions. Whiteriver is within close proximity of the Kruger National Park as well as the Blyde River Canyon with panoramic drives along the escarpment and lies in a Malaria-free area. The nearby Kruger Mpumalanga International Airport gives easy access from and to most major cities in South Africa.

Oliver's Restaurant and Lodge is situated on the White River Country Estate overlooking the first green of the 18-hole championship White River Golf Course. Oliver's Restaurant is well known for its fine-dining. The restaurant offers delicious Mediterranean dishes from the a-la-carte menu. All dishes are complemented with Kyburg Boutique and other fine South African wines together with personalised and friendly service, in a relaxed country atmosphere.

Tanja Ruf, the owner of the lodge, has Austrian roots. Born and raised in South Africa, Tanja was trained for the hospitality sector in Austria and her Austrian charm is eminent throughout the establishment.

First we deliver our **Kyburg Boutique Wines** to their well-stocked wine-cellar. After a dip in the pool, we relax on the restaurant's veranda to enjoy the tranquil setting while we sip a refreshing sun-downer followed by an exquisite dinner. Soon we retire to the tastefully furnished and decorated rooms. Each room has a generous en-suite bathroom and a balcony with a view over the garden and golf course.

After a hearty breakfast we are ready for a round of golf. In the afternoon we head off to the in-house **Wellness and Beauty Clinic** to indulge in some treatments and then we chill the day away at the pool-side.

Here you will be able to interact with elephants, giving you the opportunity to witness their intelligence and compassionate nature. Feel their constantly curious trunks, touch their rough skin, exchange trunk greetings and offer tasty treats, while learning about their behaviour and history from the Elephant handlers.
