Hello LSU Parents,

Happy New Year!

As we head into the new year, I hope everyone has a plan to take care of their health, finances and career.

Typically, at the start of a new year, our attention turns toward improving our health, our finances or our careers. If your Tiger is thinking along these lines, we stand ready to help them.

Does your Tiger know and understand the academic and behavioral expectations of upperclassmen? Is your Tiger considering upperclassmen roles or leadership positions? They are invited to the Involvement Fair, scheduled for January 22.

Geaux Get Involved:

Also, if your Tiger needs help developing a budget, preparing to send money to their college, or job search has your Tiger a little nervous, our Olinde Career Center is here to help them.

If fitness is their focus, make sure your Tiger remembers that LSU students have a comfortable place to work out and make progress towards their goals.

We are proud of our University Recreation Center. LSU UREC Personal Trainers are here to help your Tigers reach their goals. They can offer workouts for people of all levels and ages. For more information on personal training, visit the LSU UREC Personal Training webpage.
