Research & Discovery

Science faculty and students complete Sumner Team Impact Project 2020

By: Jennifer Salerno

The College of Science and the Uniformed Services University of the Health Sciences have partnered since 2014 to provide an intensive two-year educational experience to highlight qualified active duty military members in the fields of science and technology.

Happening at Mason

Register by Friday to attend the ISE-COMPASS Virtual Communication Workshop

On November 10 and 12 from 1 to 3 p.m.

Register by Friday to attend the ISE-COMPASS Virtual Communication Workshop

In this interactive virtual workshop, you will learn to use the Message Box, a tool developed by the U.S. Government Accountability Office, to break down complex topics into digestible messages. This workshop will involve hands-on practice, feedback, and interactive exercises, so please join using a webcam and be prepared to actively participate.

Events

Sustainability Science Data Day 2020

Tuesday, October 6, 2020

Join us for the Sustainability Science Data Day 2020! Attendees will have the opportunity to learn about and share their research findings through presentations, workshops, and poster sessions. The event will also feature keynote speakers and networking opportunities.
