Dear LSU Families,

Congratulations to all of our August LSU Graduates and their families. We are so proud of the achievements and accomplishments of our students and graduates and the challenges they have overcome during their time at LSU.

As the new academic year begins, I want to assure you that we are committed to providing a safe and healthy environment for all of our students and employees. Our top priority is the health and well-being of our community.

The start of the fall semester is the perfect time to become involved on campus. There will be a wealth of events throughout the semester to help new students get involved. Attend these events to meet new people and learn about all of the organizations and clubs available at LSU.
