Purim is a joyous holiday, celebrated by wearing of costumes, giving gifts to friends, giving presents to others, and feasting. It is a time of repentance and sacrifice in preparation for Easter. Purim is often seen as a holiday celebrating the survival of the Jews against the attempt of Haman to destroy them. It is also a holiday to give gifts, because Queen Esther saved the Jews from destruction.

The Röpke-Wojtyła Fellowship is a program hosted by The Catholic University of America for Catholic students who are interested in a scholarship opportunity that will cover conference registration. To learn more about the conference, please visit the website.
