March Professional Development Events

Teams, Canvas, and Teaching Synchronously

College of Education - CRTLE

Thursday, March 5
12:00 PM - 1:00 PM
Trimble Hall 111

UTA's College of Education and the Center for Research on Teaching, and Learning Excellence (CRTLE) invite all faculty to a training by Dr. Brian Brown and Dr. Peggy Semingson from the College of Education on Microsoft Teams, Canvas, and Teaching Synchronously. These tools can help faculty respond to student needs during extreme weather conditions, natural disasters or other conditions that may disrupt the university campus.

Presented by: Dr. Brian Brown and Dr. Peggy Semingson
For: All Faculty

Meet the CRTLE Faculty Fellows!

Classroom Management and Dealing with Problems

CRTLE - College of Nursing and Health Innovation

Monday, March 30
9:00 AM - 11:00 AM
Pickard Hall 549

- *How should you respond to common teaching problems with students such as grade disagreements and persistent talking during class?*
- *How do you de-escalate situations before they get out of hand?*
- *Do you need advice, strategies, and better understandings of how to deal with student-faculty interactions and classroom problems?*

Join us for this interactive and informative seminar where we will review various classroom and student-faculty interaction scenarios. This seminar will feature lively discussion of sharing advice, strategies, and procedures to help prevent, de-escalate, and deal with classroom problems.

Presented by: *CRTLE Leadership and Fellows, Officer Garry Douthitt of the UTA Campus Police, and Dan Moore of the Office of Student Conduct*
For: *College of Nursing Faculty and All Faculty*

RSVP

April Professional Development Programs

Active Learning Breaks: Incorporating Active Learning Strategies into Lectures

Wednesday, April 1
12:00 PM - 2:00 PM
NH 246

Lunch will be provided

Do your students seem bored during lectures? This interactive session will present active learning "breaks" as well as other engaging strategies teachers can apply in their lectures. The topics will include group learning, self-reflection, polls, pairs-problem solving, and brainstorming.

Presented by: *Dr. Melanie Sattler and Dr. Yubraj Aryal*
For: *All Faculty*

RSVP
