A Note from the President

Hi there!

It’s hard to believe we are already at mid-term exams. I hope your Tigers are doing well on their exams and are staying safe and healthy.

Using the University Advising Calendar, you can schedule your spring advising appointment with your advisor. This is a great time to discuss your progress and determine which courses you want to take in the spring semester.

Students, UREC facilities and free GroupX classes are also available to you. You can register for Intramural activities at University Recreation: https://rec.lsu.edu/.

Did you know that all full-time students have a membership to LSU’s Fitness Center? This includes a membership to the LSU Student Union’s Fitness Center and all UREC facilities. You can find more information about free GroupX classes and UREC facilities at https://rec.lsu.edu/.

Don’t forget to check out the Farmer’s Market, which is open every Wednesday in October. It’s a great way to find fresh produce and support local farmers.
