Dear LSU parents and families,

As the fall semester progresses, we hope that your student is enjoying the challenges and excitement of college life. At the same time, we want to keep you informed about important campus happenings and let you know what services are available to support your student.

LSU Family Weekend

Our LSU Family Weekend is an opportunity for parents and families to stay connected to LSU and experience our vibrant campus life. This year's event will be held on October 11-13, featuring a variety of activities and events. Stay tuned for the announcement of next year's Family Weekend date soon!

Did you know? Middleton Library is open 24 hours a day, 5 days a week? It's a great resource for late-night studying and research. Worried about your student leaving Middleton Library after a long night of studying? Don't be! Did you know that there is a shuttle service from Middleton to The Cook Hotel that operates from 8 p.m. to 2 a.m. each Tuesday through Saturday? Grab a map from the Information Desk and have fun visiting various departments in the LSU Student Union! There will be a costume contest at 1:00 p.m. and lots of fun activities throughout the weekend.

Letters from the President

LSU President F. King Alexander thanks you for trusting us with your Tiger. He says that LSU is a place where students are challenged to think critically, to work hard, and to learn from experts while actually helping to improve the world. LSU is rooted in the values of bravery, creativity, and resilience, and these values are evident in our students and faculty.

Thank you for being a part of the LSU family. We look forward to seeing you on campus!

Sincerely,
