A NOTE FROM THE PRESIDENT

Dear Families,

As our students embark on summer adventures and prepare for the next academic year, I wanted to take a moment to reflect on our accomplished year and to thank you for your continued support.

Throughout the year, we have celebrated countless achievements, from groundbreaking research to student-athlete successes. Your sons and daughters have shown excellence in all areas of university life, and I am filled with pride as their achievements bring recognition to our University.

One area in which we have seen significant growth is our Parent & Family Programs. Your involvement and support are crucial in ensuring that our students feel connected to the LSU family. In the past year, we have expanded our services to include more resources and opportunities for families to engage with our campus.

We are committed to making your family’s connection with LSU as seamless as possible. Whether it’s through our Tiger’s Den summer camp, our Operation Registration, or our participation in LSU Discover Day, we are dedicated to ensuring that families have all the information they need to make the most of their time at LSU.

As we begin this new academic year, we encourage families to explore the LSU news and updates most relevant to your family. From updates on our campus developments to information about our student-athletes, we are making it easier than ever to stay up-to-date with everything going on around LSU.

We hope you will consider participating in our next LSU Giving Day on April 30. This event is an opportunity for alumni and friends to give back to the University they love. Your contributions help support our students, faculty, and staff and enable us to continue providing a world-class education.

In conclusion, I want to express my gratitude for your support and encouragement throughout the year. Your commitment to the success of our students is invaluable, and we are proud to be a part of your family. As we gear up for another exciting academic year, we look forward to welcoming your families back to LSU.

Sincerely,
