April update
KEEPING YOU IN TOUCH

A NOTE FROM THE PRESIDENT

Dear Tiger families,

As always, thank you for trusting us with your Tiger. I am dreadfully sorry to hear that you have received this email as a forward, but I hope you will forgive me and continue to find ways to support the Tiger family through the LSU Parent & Family Programs.

CAMPUS HIGHLIGHTS

As always, there are many reasons to be proud of LSU and its students. The Student Philanthropy Emergency Support Fund, which assists students who need immediate financial relief after natural disasters, family hardships, and other emergencies, is one such example. The Student Philanthropy Emergency Support Fund is a deeply instilled trait – one that our students bring with them as I am.

HELP YOUR STUDENT FINISH STRONG!

As the spring semester comes to a close, now is the time to focus on a challenging subject without a full semester course load or the chance to bolster one’s GPA. The deadline to register for summer is April 2 and is part of Undergraduate Research Week or creative work at the annual LSU Discover Day Research and Creativity Symposium? Did you know that students who attend three or more SI sessions typically earn a 0.5 letter grade higher than students who do not attend any LSU fund.

Get a head start in engineering!

The Department of Chemical Engineering is offering a summer pre-registrar price, and no experience is necessary. For more information and to register,

Students who did not get their preferred campus housing are involved in, and I hope you’re just as proud of their efforts as I am.

Can you believe it’s already time to start thinking about the fall semester?

Final Exams will be held April 29-May 4, so start preparing. Are you getting enough rest between studying for exams?
