

Dear Colleague,

Happy September!

A new month is upon us! As North Americans transition from lemonade and t-shirts to pumpkin spice and flannel, Europe is wrapping up another busy summer. Although the high season is coming to an end for Iceland, there are still many reasons to visit the North Atlantic island in the winter.

From now until September 30th, you can save 10% on Iceland ProTravel's Northern Lights and New Years Eve travel packages. Furthermore, until December 30th, you can save 10% on select 2024 Iceland ProCruises sailings.

Did you miss last week's webinar on Porto & the North of Portugal? Don't stress because you can watch it [here](#)!

As always, let me know if you want to [book a 1:1](#) with me to learn more about Emerging Destinations cool clients in Europe!

Happy Autumn,

The Emerging Destinations team

My Top 5 Greek Summer Experiences (Part 1)

You may have heard the saying "Greek summer is a state of mind". It implies this wonderful feeling associated with the Greek summer that goes beyond the mere passing of warm months and extends to a broader, more profound experience and way of living. The true essence of the Greek summer lies in the feelings, emotions, and connections it brings; it's about embracing a positive and carefree mindset that can be carried throughout the year, regardless of the actual calendar date.
