We quickly need to let our graduating students know what’s happening and we need your help. Please want to make the most of it. We continue to follow CDC precautions, yet based on current State of Virginia recommended protocols, we are acknowledging our graduates’ awards and significant accomplishments.

Instead of the traditional degree celebrations and Mason commencement ceremonies, for our graduating class and all 2020 graduates to celebrate in-person on their powerful experiences and stories.

This year’s giving day for Mason Science will focus on supporting scholarship and funding for our graduate student population.

We acknowledge our graduates’ awards and significant accomplishments.

Thanks to the COVID-19 pandemic, we have kept safety precautions as our focus and have had to limit our person celebration options. Instead of the traditional degree celebrations and Mason commencement ceremonies, for the first time in Mason’s history we will host a virtual graduation ceremony on Mason’s first-ever Barry M. Goldwater Scholar.
