ANP Lighting®

The VEC Series - the latest RLM shade from ANP Lighting

ANP Lighting continues to develop contemporary RLM shades for the retail, restaurant, hospitality and residential markets. The VEC series offers the timeless look of metal shades, utilizing the most current LED solutions. All this with competitive pricing and a three week lead time.

The VEC series is available in four sizes, multiple LED sources and a wide variety of options and accessories. IES files and Photometric Summaries for the VEC Series can be found on the VEC landing page at ANPlighting.com.
