

October 2024

Welcome to Fall! OUR has several deadlines approaching! Scholarship applications are open and conferences accepting applications - now is the time to begin your application processes!

Some of our Early Exploration Scholars learned the inner workings of the theatre and how much research it took to get to the Heart of Robin Hood. From costumes to set design to history and folklore relations, researchers are everywhere! Thank you to Alexandra Harbold and the production team for hosting the Office of Undergraduate Research – Research tour. [Join folk at future tours.](#)

Know a student who wants to started with research? Encourage them to visit the [“How to Get Started”](#) page!
