- Information on FYE VC Journal Entries

For this year’s fiscal close, the cutoff for departmental journal entries is on July 17. Starting July 18, departments must submit their journal entries through their Vice Chancellor (VC) office for entry into OFC. VC offices have identified the individuals who are authorized to submit journal entries from July 18 through the end of the day on July 21. Here is a link to the list of authorized FY2023 VC Office Users for each VC area.

Please note that central offices (such as Internal Controls & Accounting, Sponsored Projects Finance, Foundation, and Health) will reject all journal entries that are submitted by unauthorized users from July 18 — July 21. Internal Controls & Accounting will be monitoring approved journal entries to ensure VC offices are submitting journal entries for approval and posting.

Guidance regarding the use of the year-end special prefix has been published in this Knowledge Base Article: How to Process a Journal Entry. Please note the following guidance:

**For VC Offices**
- For year-end reversal journal entries, prefix the entire name with YE## (## being the last two digits of the year) + VC Abbreviation + Sub Department Abbreviation (if applicable) + Preparer Initials + Journal number.

**For Central Offices**
- For year-end reversal journal entries, prefix the entire name with YE## (## being the last two digits of the year) + CO Abbreviation + Preparer Initials + Journal number.

Health System Medical Center/Physician Group/Population Health Service Organization business units are to follow Medical Center Journal naming structure, which is a different structure compared to campus.

Advancement Services is reviewing balances of gift funds and will ask your business unit for help to comply with the following:
- A notice of gift funds non-compliant with PPM 410-5 will be sent to fund holders and business officers in August 2023 using June 30 balances to help prepare a carryforward request or spending plan, due September 30, 2023.
- More information can be found on the Policy on Expenditure of Gift Funds webpage.
- All units with gift funds are responsible for developing and providing timely and impactful stewardship reports to donors on the use of and expenditure of their gifts. If you have any questions, please email fundstewardship@ucsd.edu.
