Here's the Scoop: It's National Ice Cream Month

What's your favorite kind of ice cream? If it's vanilla, you're not alone. Vanilla is the most popular flavor, accounting for 20-29 percent of overall ice cream sales. Since July is National Ice Cream Month, you have an extra reason to indulge in this treat, whether in a cone, sundae, shake, or float. As the famous line goes, "I scream, you scream, we all scream for ice cream!"

What Data Do Internet Speed Tests Provide?

With the push of a button, speed test sites such as speedtest.net will quickly display the download speed, upload speed, and ping. Also called latency, ping is the reaction time of your connection — how quickly your device gets a response after you've sent out a request. A fast ping means a more responsive connection, which is especially important in applications such as video games. [Click here to get a free speed test!](#)
