Airbnb Experiences

Event planners can use their Travel & Entertainment Card for Airbnb Experiences. This allows for streamlined expense tracking and reporting. Open the desired Expense strings in your Concur Travel & Expense and Add Subtotal — save that as your default customization and your view of the total is expanded! You can then see a snapshot of all of the allocations made on an Expense Report. Viewing Allocations, details, and more.

You can also view the chart from the drop-down menu. The chart from the Allocations menu, select Details. This will show you a breakdown of the allocations and then you can view the total breakdown of the allocations can be found here alongside the chart. The total breakdown of the allocations can be found here alongside the chart. The total breakdown of the allocations can be found here alongside the chart.
