WIBA Job Fair

Participate in WIBA's job fair on April 26!

Come connect with potential future employees that embody the spirit and culture of the independent business environment. Take advantage of the opportunity to privately meet with them one on one and extend job offers to those that you feel fit your work environment not only for their skills but for their attitudes as well.

The Workforce Centers of South Central Kansas and the Wichita Independent Business Association will be teaming up to advertise and seek out a wide array of candidates to fill your open positions. For this event we have added [KNOXX online career networking](#) to the partnership to give an enhanced recruitment experience to both the jobseeker and the employers. KNOXX will be providing an online portal for jobseekers to share their resumes before the event in which all participating employers will have the ability to review before, during and after the event.

To take advantage and participate in this no cost event, [please sign up at this link](#) as booths are limited.

Whether you are an employer or a jobseeker, please start building your profile for this job fair on [KNOXX's webpage right here](#). Employers, you will need to use the promo code wiba4 so you can access the event site free-of-charge.

Employers:

Reserve your booth space on [the Eventbrite page](#). Use the promo code wiba4 so you can access the event site free-of-charge.

WIBA has an intern! Welcome Reagan Jones!

We would like to welcome our new intern, Reagan Jones, to the WIBA family. She is a junior at Maize South High School. Reagan is the editor of the Maize South yearbook staff, a member of the Community Adjuvabit Club of Wichita, a volunteer group, and the advertising advisor on a sponsored club, Chick-fil-a Leader Academy. In her free time, Reagan likes to read up on the latest fashion trends and have fun with her friends. She started interning at WIBA with Lisa-Marie in the marketing department on Monday, April 10th. "I am very excited for the opportunity that WIBA has given me because I have always had a passion for marketing and journalism," said Jones. "I can not wait for this journey alongside Lisa-Marie and everyone on the WIBA staff!"

HR Tips for Small Business

Blunders in HR can hurt profits and prevent growth, which could be detrimental to any business. Even though small business is a major economic driver in the U.S., many don't survive past the first five years. In an effort to increase small business' success rate, [we offer these HR tips for small business](#).
