Clemson, SC | 29634 United States

Update

Thank you for your support of Clemson and the College of Science. Our alumni and friends choose to give in many different ways. We ask that you consider providing a powerful and flexible form of support through Unrestricted Giving to the College, a department or a center. These gifts allow faculty and staff leaders to handle costs deemed most in need of funding, such as specific student or faculty support, research and technology needs.

Giving to the College

Here are some upcoming events and activities in the College of Science.

Join us for the first SCIENCE Homecoming Tailgate

Our first SCIENCE Homecoming Tailgate will begin three hours prior to kickoff of Clemson’s home game against NC State on Oct. 20. If you plan to be on campus for the game, register for the event and come join us.

Go Tigers!

Center for Human Genetics receives $1.87M grant

Dr. Carlos D. Garcia, a Professor of Analytical Chemistry, has been named a Fellow of the Royal Society of Chemistry – one of the highest recognitions for a chemist. Dr. Garcia has spent his career dedicated to the development of simple, fast, inexpensive, and efficient analytical strategies.

Garcia elected Fellow to Royal Society of Chemistry

Dr. Garcia, who is the director of the Center for Human Genetics, has been elected to the Royal Society of Chemistry's Fellowship Council.

Department of Mathematical Sciences becomes School of Mathematical and Statistical Sciences

As a reflection of its growing size and reputation, the College of Science's Department of Mathematical Sciences has officially transformed to the School of Mathematical and Statistical Sciences.

Three SCIENCE faculty honored with prestigious NSF CAREER awards

Three SCIENCE faculty—Dr. Kevin R. James, Dr. Elyse M.其他玩家, and Dr. Christopher Cox—have been named recipients of the National Science Foundation's Faculty Early Career Development Awards.

Renowned promoter of science literacy to speak at Clemson
