A search bar is located in the top right. The main content area features a large image of the M+D Collection pendant lights with a text overlay: "M+D Collection. Below this, there's a section titled "NEW - Centralized Product Specifications" and a "Search by Category" section with a tree view of product categories. A sidebar on the right titled "Filter by" contains dropdown menus for Source, Features, Product Family, Mounting Methods, Fixture Orientation, and Lighting Applications, each with a list of filterable options.
