On the 50th anniversary of Earth Day 2020, join online for an Earth Optimism Summit 2020. Professors are encouraged to #MakeClimateaClass by replacing class with a webinar, and local action to solving climate change by 2030. View the Solve Climate by 2030.

The deadline for submitting an abstract for each option is 31 March 2020. Not only celebrate the 5th anniversary of the 2030 Agenda for Sustainable Development and preparing the project summary.
