Manage information sharing among researchers, practitioners, and relevant local, national, and international organizations to facilitate the resolution of pressing sustainability and resilience challenges.

If you are interested in submitting any of your current research, abstract submissions are now open. There are several different options – Paper presentation, Poster presentation, Session Chair, or Organizer. For more information, please visit the Earth Optimism Summit 2020 website.

On the 50th anniversary of Earth Day 2020, join online for an Earth Optimism Summit 2020. This event will be held in Geneva and the UN Sustainable Development Solutions Network (UN SDSN). The event will feature keynote speakers, panel discussions, and workshops focused on sustainability and resilience challenges.

The U.S. Consulate General, Public Affairs Section, is hosting a webinar titled “Solve Climate by 2030.” The webinar will be held on April 7th, 2020, at 1:30 pm – 3:00 pm. The webinar will be open to all Mason faculty, staff, and students. If you are interested in participating, please visit the event page for more information.

The Division of Environmental Biology (DEB) is providing funding for research in the Aquaculture Research program. The funding amount is $100,000,000 for new awards each year pending availability of funds. The deadline for submission is April 20, 2020. The deadline for Sponsor deadline is April 22, 2020. For more information, please contact Kimberlie Laing at 301-903-3026.

The National Institute of Environmental Health Sciences (NIEHS) is providing funding for research in the Aquaculture Research program. The funding amount is $10,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.

The Institute for a Sustainable Earth is providing funding for research in the Aquaculture Research program. The funding amount is $1,000,000. The deadline for submission is April 20, 2020. For more information, please contact Dr. Padmanabhan Seshaiyer at 301-251-0748.
