Hello!
The OIL Board was able to meet this May for the first in-person board meeting since COVID. This was the first opportunity for alumni, students, and friends at the OIL Reunion. We had the chance to re-connect, re-engage, and remember. Many thanks to the Board Chair, Board Members, and staff for organizing an amazing weekend to celebrate, re-connect, and remember. We are grateful for our generous alumni, students, and friends at the OIL Reunion.

The Community Plan for Inclusion, Diversity, and Equity

Updates from the Office of Intercultural Life (OIL)

Happy spring from the OIL Office!

As students returned from a record-smashing break, the OIL office was busy holding onto their newness, re-designing spaces, and hitting Diversity, Equity, and Inclusion goals. OIL also welcomed new leaders and returning students to the OIL: Hannah Farahani and Molly Brabec. We welcomed our new OIL Director, Kindee Thai. The group will host its final session at the end of May.

Speaking of housing, students have been engaging with the Dean of Students and OIL about the new housing plans. They also held the first session of OIL peer leaders and multicultural student leaders. Students have offered a number of creative, new ideas for what housing spaces should look like and how they can then function to serve the next generation of BIPOC students at Carleton. The OIL peer leaders and multicultural student leaders will work closely with students on the Multicultural Center House and OIL program to meet the needs of students in the campus community.

We'll also welcome 24 new and returning residents to the Cultural Houses: Casa del Sol, Freedom House, ASIA House and Stimson: the Intercultural Center.
