Bobcats Newsletter

April 2025

A word from Bobcat Chair Jim Guerra

I hope all of you are getting outside and enjoying the great opportunities for outdoor recreation that this time of year has to offer. I particularly enjoy the spring and the fall along the Front Range because the weather is great for recreating at all elevations. These days, you can still go skiing or snowshoeing at higher elevations or biking or hiking at lower elevations and it's not too hot and not too cold!

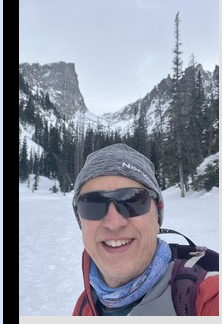

Something new: The Bobcats have a Facebook page! If you're on Facebook, you can find it by entering "Colorado Mountain Club Bobcats" in the search box in Facebook, typically in the top left of the Facebook home page. Feel free to check it out - and join!

In addition to the variety of off the beaten path trips that the Bobcats routinely offer, there are two additional Bobcat events I'd like to call your attention to. First, for the Bobcats trip leaders, there is the annual Trip Leader Meeting coming up on the afternoon of April 22nd at the Denver Library Hadley Branch Community Room. You can find it on the CMC calendar

You should also put the afternoon of Saturday, October 11th on your calendar for the annual Bobcats picnic at the pavilion at Tanglewood Park South in Lakewood. It should be on the CMC calendar soon, and a link will be provided in the next Bobcats newsletter. We've got some plans in the works to make it a very engaging and interactive event this year, so please sign up!

Who are the Bobcats?
The Bobcats' mission is to ensure a variety of adventurous CMC trips, mostly on weekdays, all year long. Our trips tend to be faster-paced, on more challenging routes, and with fewer stops. We foster a strong community of hikers seeking challenge, discovery and camaraderie.
