

## **Clyde Butcher: America's Everglades Exhibition closing Saturday, April 3rd**

The rugged and remote beauty of the Everglades is captured in these works which span over three decades of foraging into dense swampland. Delicate ecosystems, rare botanical specimens, and sweeping landscapes bring the wonder of this mysterious part of our country to light. The beauty of the Everglades is celebrated in the monumental photographs of Clyde Butcher. The scale, extraordinary clarity and tonal range set his photographs apart as exceptional works of art, earning him recognition as the foremost landscape photographer in America today. These powerful black and white images are portraits of the eternal bond between man and nature that is the soul of the Everglades. From the deepest cypress strands of the sawgrass prairies, coastal waters, and languid estuaries, to pinpoint still-lives of rare species, Clyde reveals its ecosystems in magnificent detail. He makes an unquestionable case for why we should care about its future.

### **Court House Cultural Center Gallery Hours:**

Tuesday, 10AM - 6PM | Wednesday - Saturday 10AM - 4PM

**The Arts Council of Martin County**  
80 E Ocean Blvd., Stuart 34994
