NOVEMBER SPECIALS

GET THE LIFT AND
LIPS YOU'VE BEEN
LOOKING FOR

Restylane[®]
Natural beauty from within

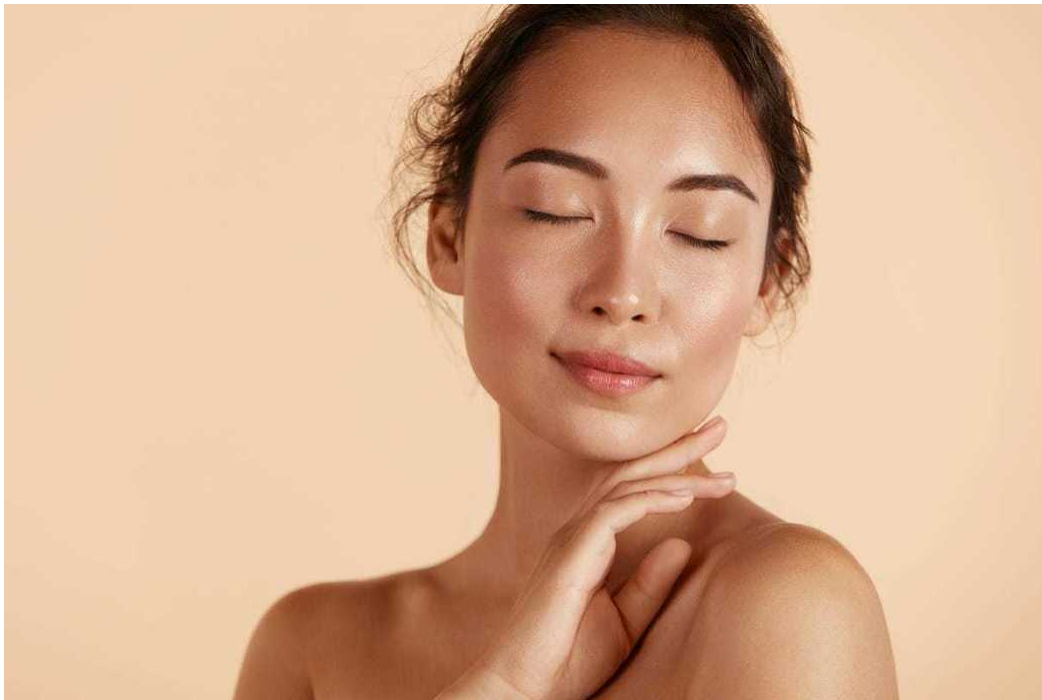

Injectable Special

\$50 off/syringe Restylane fillers

It's a part of life — our skin changes as we age. It becomes thinner, loses fat, and no longer looks as plump and smooth as it once did.

Facial aging actually begins in your 20s! Traditional fillers (hyaluronic acid) and collagen stimulators are injected into facial areas to reduce the appearance of lines and wrinkles and restore facial contours. This month, save on the entire family of Restylane fillers - Restylane classic, Lyft, Kysse, Refyne, Defyne, Contour, and Sculptra.

*treatment must be completed in November

Esthetician Special

DiamondGlow Facial

\$129.00 (a savings of \$40)

The transformative power of DiamondGlow® starts in the signature wand. The wand simultaneously exfoliates, extracts debris, and infuses the skin with professional-grade SkinMedica® Pro-Infusion Serums, when pores are open and most receptive.

We recommend 1-2 treatments per month to see continued improvement and glowing results. Your provider will determine your personalized treatment plan.
