Dear Colleague

How busy has the Emerging Destinations team been over the last few months?

Jane attended a Sernatur (Chile) roadshow in **Miami, New York** and **Toronto** on behalf of **Las Torres Reserve**. She was back home just long enough to change suitcases and fly across the Atlantic to **WTM London**, followed by a fam trip to **Kenya** and **Tanzania**.

Jenna, our Canadian rockstar, was busy with in-person sales calls in **Vancouver** and then **Canada's Maritime provinces**. By the time you receive this newsletter, she'll be flying home from a two-week fam trip with our clients in **Zambia, Mozambique** and **South Africa**.

The second half of the year found me leading educational trips with tour operators to **La Coralina Island House** in **Panama** and to **Chile** and **Argentina** with our clients **Chile Concept, Las Torres Reserve** and **Recoleta Grand Hotel**. I'm getting ready to meet Jane at the **USTOA Annual Conference** and do in-person sales calls in **Texas** (Austin & Houston) for the first time.

On another note, **La Coralina Island House** and **Enchanted Expeditions** can help you with last-minute requests for the upcoming Festive Season, while **Grand Hotels Lux** and **Las Torres Reserve** can still have availability during our South American summer (January to March).

In case anyone is already planning their 2023 summer vacation or even next year's holiday season, **Colombian Journeys** and **Chile Concept** have great ideas for your clients to explore featuring the best of those beautiful South American countries.

Happy Thanksgiving to everyone in the USA!

Best regards,
