Study Abroad

LMU Study Abroad Newsletter - October 2021 Edition

Congratulations to all our students who will be studying abroad in spring 2023! For more information and program meetings, visit LMU Study Abroad.

Sustainable Study Abroad Programs

The LMU Study Abroad team encourages students to consider sustainability in their study abroad plans. Here are some sustainable programs in fall 2021:

- LMU's Study Abroad in Xiamen: sustainability in China
- LMU's Study Abroad in Copenhagen: sustainability in Denmark
- LMU's Study Abroad in Sydney: sustainability in Australia

To find out more about sustainable study abroad programs, visit the LMU Study Abroad website.

Ways to Connect with the Study Abroad team

- Attend a Study Abroad 101 session, attend a Drop-in Office Hour, or schedule an individual appointment with a program advisor.
- Enroll in the Study Abroad Interest Form to receive important updates to help you plan your study abroad experience!

Study Abroad Application Tips

- Visit the LMU Study Abroad website to learn more about the application process.
- Make sure to submit all required documents by the deadline.
- Reach out to your program advisor if you have any questions.
