CIRAS Receives a Department of Transportation Grant for Disadvantaged Business Enterprise Assistance

CIRAS has received a $133,000 grant from the US Department of Transportation. (DOT) to help economically and socially disadvantaged businesses develop as strong players in the marketplace, government contracting specialists say. The program is expected to dovetail with government contracting services now available through the CIRAS Procurement Technical Assistance Center (PTAC). It will be overseen by CIRAS government services now available through the CIRAS Procurement Technical Assistance Center (PTAC). It will be overseen by CIRAS government contracting specialists and will be administered by CIRAS staff.
