

Dear Colleague,

Greetings from a winter day in Buenos Aires! Even if winter here isn't as cold as Jenna's hometown in Canada, I'm already missing those sunny and warm days of laying by the pool...should I plan a trip to the northern hemisphere to enjoy your beautiful, long summer days?

We're pleased to announce that **Enchanted Expeditions** has added a third motor yacht to its **Galapagos** fleet! From now on, if you have luxury clients, you can count on the **M/Y Passion** as a great alternative to the **M/Y Beluga** and **M/Y Cachalote Explorer**.

On another note — and for those of you who, like me, need to recharge batteries at this time of the year — **La Coralina Island House** has a **full calendar of yoga trips and wellness events** like the upcoming Dum Spiro Retreat, Elemental Goddess Retreat and Maja Bhuta Retreat.

For more adventurous travelers interested in connecting with nature, the **"O" Circuit** in **Torres del Paine National Park** is a great option. This year, the **Seron Sector** is opening earlier, which means that from **October 1st**, you or your clients can hike this amazing 85-mile trail.

Colombian Journeys and **Chile Concept** are still working on **Festive Season** bookings. As I always say, don't wait until the last minute! Contact them now to arrange a tailor-made itinerary and celebrate the end-of-year holiday season in amazing places like the **Atacama, Easter Island, Cartagena** and **Medellin**.

Please scroll down and read on the latest updates from our clients in the Americas portfolio. As always, feel free to use any of our blogs for your own marketing!

Best regards,

Upcoming Travel!
