WORLD CITIZEN IS READY FOR 2021

Greetings World Citizen Friends!

The year 2021 is knocking on our door and looking positive. Even though 2020 was a challenge and an eye opener for us, it did create some positives as well. In a number of ways, we were pushed to find alternatives to many of life's choices. Some of these choices

offered new opportunities for growth and expansion. Your donations made it possible for World Citizen to move forward. Thank you for your continued support. We are \$900.00 short of the match of \$10,000. We are hoping before the close of 2020 we can [meet this “match challenge”](#) in order to double our resources. Thank you for your commitment to support our team for peace.

PEACE AMBASSADORS

Our Peace Ambassador program has started to reach beyond our continent as well. We are getting Peace Ambassadors from Pakistan, India, Cameroon, Ethiopia, Malawi, Bahamas, and from all parts of the United States. **There is HOPE** that the world wants to work towards peace for everyone. Help us to share the message of World Citizen through our social media of Facebook and Instagram by “sharing” or “liking” the posts. This spreads the word of peace and builds our team of support.

World Citizen's wish for 2021 is that it will be filled with good health, peace, and respect for all. With a commitment to the World Citizen Five Peace Actions we can achieve much of what this world needs to make this wish come true. Happy New Year!

Peace Will Prevail,

Kathy Millington, Executive Director
