WITH QWO

Injector Special - QWO

Qwo is an enzyme FDA approved for the treatment of moderate to severe cellulite in the buttocks. It is injected into each cellulite dimple. After only 3 treatments, 21 days apart, cellulite will drastically improve, if not completely disappear.

We are the only clinic in Western Colorado approved to treat with Qwo! This month, we are offering a *special introductory price* of only **\$1800-\$2400 for a series of 3 treatments** (price based on number of sites treated).
