Making one's Mason academic events a success

Saturday, November 7, 2020

Join Dean Fernando Miralles-Wilhelm for this event that recognizes and shows appreciation of all College of Science faculty and staff.

Celebration of Success

Friday, November 20, 2020 | 10 a.m. to 1 p.m.

Join us for this event that recognizes the outstanding work of our College of Science faculty and staff. The event will include presentations from faculty and a Q&A session with the dean. This is a great opportunity to celebrate the achievements of our colleagues.

More on Deja's Mason experience

Deja Watkins is a computer science major who discovered an interest in data science and quickly excelled as a CDS major—working as one of the most dedicated TAs in the class. Her hard work and dedication to her studies have earned her the title of Deja Monterey. She currently works as a Data Scientist Consultant for Booz Allen Hamilton.

More on his work

In CDS 101 and 102, she discovered an interest in data science and quickly excelled as a CDS major—working as one of the most dedicated TAs in the class. Her hard work and dedication to her studies have earned her the title of Deja Monterey. She currently works as a Data Scientist Consultant for Booz Allen Hamilton.

More on Oughton's work

Edward Oughton is a computer science major who discovered an interest in data science and quickly excelled as a CDS major—working as one of the most dedicated TAs in the class. Her hard work and dedication to her studies have earned her the title of Deja Monterey. She currently works as a Data Scientist Consultant for Booz Allen Hamilton.
