Happening at Mason

Virtually attend INTO Mason's Graduate Pathway Poster Colloquium

Recognize INTO Mason's Graduate Pathway scholars as they present research projects in this month's virtual colloquium.

Friday, December 4 from 9 a.m. to 11 a.m.

Mason's Multidisciplinary Student Teachers and Research Assistants (STARS)

Written and spoken word poet Deja Watkins shared about her work with Mason's elementary school student Pod Learning Program and the importance of being present in one's work and life.

Tuesday, November 24, 2020

Mason's elementary school student Pod Learning Program

Furthest from Deja Watkins' mind. However, she soon realized Mason was not far away at all. “What did I just say? I can't talk to a lot of people?” she shared.

Deja's Mason experience

Deja Watkins graduated from George Mason University in CDS 101 and 102. She currently works as a Data Scientist Consultant for Booz Allen Hamilton. She discovered an interest in data science and quickly excelled as a CDS major--working as one of the department's top ten students.
