Dear Tufts community,

Since your graduation!

I hope you will also review the many events below, hosted by the University Chaplaincy in the coming weeks. We are thrilled to mark this time of transition with you. Whether it be through speeches, music, prayer, conversation, and moments for communal thanksgiving and reflection, I hope you will join the Class of 2023, their families, and their group of seniors active in organizations and disciplines across campus. If you enjoy great music, inspirational teaching, and meaningful reflection, this is the time for you.

Since 1998, the University Chaplaincy has sponsored Senior Week. It is a time of celebration, reflection, and recognition of the students, faculty, and staff who constitute the fabric of the Tufts community. Please join us for these events;

Thu., May 18, 2023
- Declaration of the Bab
  10:30 a.m. - 11:30 a.m., University Chapel

Thu., May 25 – Sat., May 27, 2023
- Ascension of Jesus
  10:30 a.m. - 11:30 a.m., University Chapel
- Harvard Divinity School. To see more upcoming religious holidays and festivals, please follow the link to chaplaincy.tufts.edu

Thus, it is always an honor to plan this ceremony each year with the University Chaplaincy team and a group of seniors active in organizations and disciplines across campus. If you enjoy great music, inspirational teaching, and meaningful reflection, this is the time for you.

As we host our annual multifaith Baccalaureate Ceremony. Held on Saturday during Commencement Weekend, we warmly welcome all graduates and their families to each of these events. Please see more information below.

Email the University Chaplaincy with any questions.

Supporting dynamic programs at Tufts University in religious, spiritual, ethical, and cultural life is easy and vital to the University Chaplaincy.
