of movements from inside to outside, or outside to in. But what is the opening when we cannot enter? This discussion is built around a common interest in the Hindu faith. HSC is open to anyone and everyone who wants a safe space to explore the Hindu faith, from the curious to the devout and large, from the novice to the scholar.

HSC is an interfaith community that values diversity and inclusivity. We celebrate our differences and learn from each other. We welcome people of all backgrounds and beliefs to participate in our events and activities. Our goal is to foster a sense of belonging and community, and to build bridges of understanding and respect.

HSC offers a variety of events and activities, including readings, discussions, and workshops. We also have a library of resources, including books, DVDs, and CDs, that are available for checkout.

We believe that everyone has something to contribute to HSC. Whether you are a seasoned practitioner or just starting out, we encourage you to share your skills and knowledge with us. We also welcome volunteers to help us with our events and activities.

HSC is a part of the broader community at Tufts University. We work closely with other organizations on campus to create a vibrant and diverse spiritual community.

Join us in our mission to promote interfaith understanding and spiritual growth. We look forward to welcoming you to HSC.
