A NOTE FROM THE PRESIDENT

Thank you for your continued support of LSU, and Geaux Tigers!

We celebrate our accomplishments with the understanding that so much more important work remains to be done in the year ahead. And that's why, at the start of this new year, we focus on LSU's mission to transform lives, drive discovery, and improve communities.

Last January, Tigers brought home a National Championship. As the year wrapped up, I was so, so grateful for our strength in the wake of unprecedented challenges and the grace we showed each other. We learned a lot, and this year we have a renewed determination to use what we have learned to continue our progress.

Our efforts to make LSU a more inclusive, equitable, and safe place are central to our mission. The LSU Foundation: TigerLink is a great resource for academic coaches.

As we reflect on the year, I encourage you to look at the impact that LSU has had. From our research and community service being felt across the globe, to our efforts to make LSU a more inclusive, equitable, and safe place, we are excited to see what the future brings.

Thank you for being a part of our LSU community. I wish you a happy and healthy new year.

While there are many things about 2020 that we are happy to put in our rearview mirror, I hope we never lose sight of all the great lessons we learned along the way. Our past informs our future, and just as we have always done during difficult periods, we will continue to use those lessons to help LSU Tigers have a winning semester!
