January update

A NOTE FROM THE PRESIDENT

Dear LSU Family,

It was a challenging and awesome year for our LSU Tigers! Last January, our Tigers brought home a National Championship, and we conferred nearly 2,000 degrees inside Tiger Stadium. It was a sight to behold. We had a large percentage of our student body return to campus, and more than 2,000 of our students stayed and worked hard to earn their degrees remotely. We celebrated record enrollment, scholarship, and research. We celebrated great lessons we learned along the way. Our past informs our present and our future.

While there are many things about 2020 that we are happy to leave behind, it was a year when we rose to the challenge created by remote teaching and learning. We are entering the spring semester with great optimism. It was a great way to conclude the fall semester with more dates and your favorite movies. The first date is Friday, January 22.

The Cook Hotel is committed to the highest standard of cleanliness. We offer elevated services to families who want to congratulate their special graduate. For more information please contact us.

Is your Tiger looking for a way to get connected? TigerLink makes it easy for students by involving them to visit and participate in the variety of programs to stay active during the semester.
