**A NOTE FROM THE PRESIDENT**

As the new year arrives, we enter 2021 with the hope of a brighter future. The last year was marked by challenges and adjustments, but also by perseverance and growth. We are grateful for the support we received from our students, parents, and community members, and we are dedicated to continuing to support each other in the year ahead. At LSU, we are committed to creating a safe and inclusive environment where all students can thrive. We are working on improving our programs and services to ensure that students have the resources they need to succeed.
