CINA PI, David Maimon Recognized as a National Institute of Justice Graduate Research Student Awarded Fellowship

To Support Research in Disrupting Human Trafficking Networks

The Transition Advisory Board met for the first time on November 5, 2020 and was charged with advising CINA on its national strategy and priorities. The goal of the Transition Advisory Board is to help ensure CINA remains focused on the needs of the criminal justice community and continues its focus on addressing the major problems of crime and terrorism.

Our 2020-21 Open RFP White Paper Submission

This rolling RFP provides an opportunity for submissions to be accepted at any time during the RFP open period (June 2020 – June 2021). Visit our website’s digital archive to view more research and past events hosted by CINA.

Get the Most Out of CINA’s Network Data

What can we learn from the nuanced data? How can we ensure that we are collecting data that is useful and actionable for criminal justice practitioners? How can we ensure that the data we collect is accurate and complete? How can we use the data we collect to inform our decision-making?

Save the Date: CINA Distinguished Speaker Series - Spring 2021

The board consists of professionals with expertise in transitioning technology to DHS, other government entities, and potential commercialization. The board reviewed four center projects nearing transition-ready status, and discussed next steps to ensure that these projects are ready for potential transition.
