nuances of how trafficking networks operate, and develop new solution methods that account for these nuances.

Our first Transition Advisory Board meeting provided a wealth of ideas, directions, and suggestions, exceeding even our high expectations. The access to expertise and decades of experience which all of our boards provide is fundamental to the center's success. We asked a lot of good and insightful questions, and provided suggestions on DHS components

The Transition Advisory Board was formed this Fall and met in full on November 5, 2020.
