THOUGHTS FROM THE DIRECTOR

Jim Hayes

Research 

Dear CINA Community,

Thank you for reading the November Update. I hope you're able to exercise your curiosity beyond your comfort zones this month, whether it's exploring new ideas in disrupting human trafficking networks or learning about the academic influence of criminologists. It's an honor to feature both the CINA PI, David Maimon, and the CINA Science Committee Member and professor Daniel Kosmas this month. Their work and ideas are deeply inspiring.

Best,

Jim Hayes

Executive Director
