A Message from the Department Chair, Professor Suzanne Boyd

The end of the semester is a time of high-stress. Instructions may be looking forward to getting their hands over and done, so they can design grades then take a well-deserved break. They may be highly planning holiday events and final exams, as well they design grades than take a well-deserved break. They may be highly planning holiday events and final exams, as well.

This next couple of weeks, take the time to focus on a line of high-stress at the culmination of a busy semester. Some of you will not be finding your classes success stories rooted in our actions, and our instructors and students. Once completed, a student may drop off the evaluations in a box labeled "Evaluations" on a table in the Main Office. If your class has any pre-travel and travel reimbursement questions, please be sure to follow the UWM Travel Guidelines. As a reminder: If you are travelling or plan to travel in the Spring semester, please follow the UWM Travel Guidelines.

Stop by the Department of Mathematical Sciences on Thursday, December 12, from 12:00 - 2:00 pm. If you would like to participate, please bring gifts that will be wrapped and distributed to the staff in appreciation of their service.

Fall 2019 Department Newsletter

Volume 6, Issue 2

Important Dates

Dec 12: Study day
Dec 14-18: Final Examination Period
Dec 23: Fall instructors are on a short break
Dec 30: Final entry deadline for UWinteriM
Jan 21: Spring Semester begins

Department Holiday Party

The annual department holiday party will take place Friday, December 13, from 5:00 pm - 8:00 pm in EMS building 445B.

This is a great party, in which all employees are invited and encouraged to bring a gift that will be wrapped and distributed to the staff in appreciation of their service.
